This training was such a wonderful transformational event that has brought out the limitations I knew and those I didn't know about. It healed the pain I knew I had but did not know where it seats and where ^{it} exactly ~~it~~ came from.

On the positive side I leave this place a transformed person 10x more better person than when I walked in here 5 days ago. I thought I knew it all until I got here. My confidence levels are so high, if will take the devil and all his angels in hell to bring me down, yet still they will never succeed.

The techniques taught here are so practical yet the work like a mirade. I can't wait to go ~~to~~ back to my environment and more other places to practice what I learnt and change people's lives for the better.

Isobel, you are a dearest bundle of energy and love!

I'm more than thankful, does not have the words to describe my thankfulness for the inner healing and all that's going along with. Showing there is "life" after difficult times in life. We are / were a great group. Keep on doing "the good" in people's life.

Big Thanks and appreciation!

ZONE... BURKE AND ISOBEL HAVE DIFFERENT
STYLES, I STILL LEARNT SO MUCH FROM EACH
OF THEM... BEING AMONGST MY CLASS
MATES, I FELT LIKE I WAS ONE OF THE CHOSEN
FEW TO MAKE A DIFFERENCE IN THIS WORLD.
BURKE, ESPECIALLY TO YOU, I WAS A BIT SKEPTICAL
ON MY FIRST DAY... YOUR RULES SHOOK ME A
BIT... THEY BECAME NECESSARY AND FORCED ME
TO BE OPEN-MINDED... I WILL NEVER BE
THE SAME AGAIN!!! I WILL BE KEEPING IN TOUCH,
SO YOU AND ISOBEL KNOW THE IMPACT YOU HAVE
STARTED MAKING TO THE WORLD... THANK
YOU, A MILLION TIMES, FOR SHARING THIS
MOST WONDERFUL GIFT WITH ME AND THE

I came this ^{training} ~~training~~ thinking I could maybe let
go of or learn a thing or two.

Quickly did I learn this is not a course
where you hope you get something out of it,
this is a course where you feel empowered
and you ~~feel~~ ^{realize} ~~the~~ you can achieve anything
as long as you believe it.

I feel light and energetic and
thankful to have experienced these
amazing teachings. I cannot wait
to learn more and keep growing
and loving myself.

Thank you forever Burke

Ek het met baie verwagting die kursus begin bywoon en dit het alle verwagtinge oortref. Ek gaan hier uitstap as in ander, meer as, mens. Die kursus het aan my in onmiddellike "meer selfvertroue" gegee, baie meer self aanvaarding en my oë oopmaak teen besef dat ek enigiets kan doen waarna ek fokus.

Nuwe en vernuwe kennis het van my in beter mens gemaak, en die beste van die hele kursus was dat ons alles eerstehands kan ervaar deur dit self te doen. Dit het die onsekerheid rondom in kursus en my insigting baie weggevat soos ek presies weet wat van my verwag word en wat moontlike is. Dit was versaker in "moet" geleentheid en my lewe en ek sien uit om die pad te stap met die nuwe ek.

Baie dankie vir julle toewyding en vir die geleentheid.
