The past five days have been truly transformational for me. I feel like much of what I have gone through and done in my life was leading me to this moment. So much has been re-aligned in my life and there is clarity in my mind, and my heart about what I should do going forward. The areas of my life (and my past) that I kept running away from have been healed and I can now truly stand up to be the person I always was meant to be. The confidence and new self-image that I have embraced is already a reality. I see my life with a new level of appreciation and great excitement about the future.

Thank you to Burk and Isobel for sharing yourselves in such a genuine and authentic way.

Much Appreciation!

Palesa.

What most impressed me about Kai's training was the humility of Burk and his main focus of teaching us the techniques and experiencing their effectiveness. I feel very much empowered and motivated now to set up my Transformation Coaching Business because I feel we were given a unique gift I ~~want~~ <sup>will</sup> to share with other people to radically transform their lives. Additionally, I believe some things inside myself also changed, rewired for the better, for my growth to start another new, exciting phase in my life.

Thank you very much for all Kai's Burk and Isabel. Even greater things will happen to you. The work for me starts now.

Wow! I NEVER IMAGINED WHAT I WOULD EXPERIENCE IN THIS PROGRAMME. I STARTED AT A LOW POINT FROM WHERE I WAS COMING FROM ABOUT MY PERSPECTIVE OF LIFE & ITS EXPERIENCES. THIS PROGRAMME HAS TRANSFORMED ME - I AM A DIFFERENT PERSON. I HAVE DISCOVERED MYSELF WITH NO LIMITATIONS BUT WITH FULLNESS, LIGHT & LIFE.

I AM EVER SO GRATEFUL TO THE BURK & ISORAL FOR SUCH A LIFE-CHANGING PROGRAMME.

I NOW KNOW, <sup>FOR SURE</sup> THAT NOTHING IS IMPOSSIBLE.
