Grateful, Blessed ... I don't have words to describe how these few days transformed me into the person that's always been there! I love my life, I look forward to living my life and I have never felt so free in my whole life. I have inner peace but mostly the JOY that I feel has fueled me from inside. I feel light, I can laugh from my stomach again, I'm smiling and I've experienced and gained so much personal development. My Traumas have been healed!! Something that I've been carrying with me for years are gone and for the first time I can fall asleep on my own without the use of sleeping pills. For the first time in years I LOVE myself unconditionally and my suicidal thoughts are completely gone! The tools & techniques have helped me to realise that you do have a Godgiven Gift Burk and I'm forever grateful for that day when I opened up Google & saw Nelene Flemming's Name. Those 30 minutes lead me to your Training Session and has changed my life forever. I've got a Purpose and this is it.

I could honestly say that this was one of the most, if not the most profound and extraordinary experience I have ever had in my life! Every single day was absolutely PHENOMENAL and I am eternally grateful to Burk and Isobel for the experience and everything they have taught me, thank you 'just would not be enough! My entire mind set has changed and for the first time in my life I can truly say I believe in myself 100% and I am ready take on any challenge and achieve every single goal I set myself! I am excited to go out into the world and help others, make a difference in people's lives, inspire others and run an extremely successful business! Nothing in the world or no training in the world can do what Burk and Isobel do and doing this training is the BEST decision I have ever made and I will definitely be returning for all other training offered! I leave here a new person, the real me, ready to take on the world! Thank you for the knowledge, inspiration and healing! I am..

I experienced extreme levels of energy that I have never had before, I feel like a superhero that can fly (literally) and hover around buildings. I cannot remember how my thoughts were before this training, but all I know now is that after the Inner Conflict Therapy, the only thing that is engraved in my mind is "I CAN DO IT", I cannot think beyond that! Thank you Burk and Isabel for your commitment to humanity and for serving ME in this manner. I am a much better person! I have a clearer vision of my life which I drafted during the training. I'm ready to change lives and make the world a better place.
Thank you! Thank you! Thank you!

Die Junie voor en die JURIE Nou is op 'n ander plek nou.
My denke is nou op 'n heel Anse Dimensie.

My Self-vertroue het so verbeter dat ek Enigiets
kan doen

My gedagtes is so gefokus nou wat ek voorheen
nie kon regkry nie

Ek het hier die antwoord gekry wat ek
gesoek het oor wat is my Doel en wat
Ek as Spirit kan doen

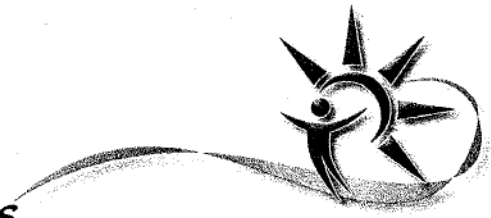

My Limitasies is gebreek en dit maak
my net nog worster vir groei.

Ek het 'n ~~ke~~ vuur wat nou brand en
ek wil die mensdom help met my energie

Ek is waar ek moet wees en ek
weet nou wat ek moet doen.

I feel so much more powerful and in control of my life than I did when I walked into this training. I feel like I can accomplish anything - this is what freedom must feel like. I feel closer to self-actualisation than I have ever been before. I feel every cell in my body alive and thriving in this golden energy; that some divine being has lead me to this day, where I have finally understood my purpose in life. I have always desired the ability to heal people and now that I have it, I cannot wait to make this world a better place and hold out a helping hand to humanity. I cannot wait to be that person people need - the person I needed when I was growing up. I have truly realised the magnificence of my life and existence and infinite potential. This course has helped me become whole once again and mend the holes in my soul and life. I feel so blessed and loved. I will never look back and always grow and flourish. I feel most fortunate because I was exposed to this experience at such a young age. Thank you so much, Burk and Isobel!

This really has been a transformational experience. No matter where you are on your life journey, this week, this experience will be of true value to you. For most of us life has possibly been hard and even unfair and somewhere along the line you (we) forget who we really are and what incredible potential & possibility sit within us. Looking at the theories & techniques taught & learned during this course I can simply say it is unique, powerfull & it works. The time, effort & energy that Byrk has put into his own work to ensure that what we learned here is at the forefront of world standards is commendable. It's what you as a learner want in such a qualification.

THE TRANSFORMATION COACHING SYSTEM IS ~~AMAZING~~
PHENOMENAL! I ARRIVED AT THE 5 DAY INTENSIVE
TRAINING WITH LOW ENERGY, NO DIRECTION AND GRIEF
STRICKEN. MY SENSE OF PURPOSE WAS OMITTED FROM MY
LIFE. THEN... MAGIC STARTED TO HAPPEN. UNDER THE
AMAZING GUIDANCE AND TEACHINGS OF BURK ESTERHUYSE
I WAS TRANSFORMED TOGETHER WITH A GROUP OF STUNNING
HUMANS THAT ATTENDED THE TRAINING WITH ME. WE
LEARNED, WE CRIED, WE LAUGHED, WE BONDED AND WE
GREW. THE JOURNEY WAS BEAUTIFUL AND NOW WE HAVE
A DESTINY THAT AWAITS US FILLED WITH MORE MAGIC AND
CONNECTEDNESS. THANK YOU BURK AND ISOBEL FOR
CREATING THIS LIFE CHANGING EXPERIENCE. LOVE AND
LIGHT.

I did this course in Oct 2016, had such an amazing experience. I waited a while before putting it to action. I have changed over the past 2 years in so many ways, positively, and my mind has opened up to another level.

This course, doing a refresher, woke up new things in me, my direction is taking a clear shift.

Thank you for sharing this with me. I'm enjoying my life, from suicidal young man, I am transformed into the person I am today! I live AND I LOVE EVERY MOMENT!!!

Thanks, and stay inspired 😊

Exceptional! This refresher TC has been absolutely amazing. My confidence in me has been restored. And I needed that. My coaching business has finally materialised and I'm feeling more empowered to fulfill the vision I initiated 2 years ago. Life has been hard. Today Burk reminded me that life can be easy. That I get to choose. So I now choose to have my abundance, fulfil my passion and purpose to inspire and empower others, and live my life of my dreams... easily! (with ease)
With grateful thanks and love always
