I have been working on self-development for over 9 years and I have always struggled to share what I have learned with others. In this course I have realised even more, who I really am, and what I am capable of. This course has given me tools to help others and truly realise my purpose. I Am incredibly grateful and appreciative for what the Transformation Coaching Academy has taught me and for the skills and techniques I have learned. Burk and Isobel have enriched my life and I am wonderfully Thankful

I, Maureen Mdeka came into the training without hope in total despair and feeling very inadequate and incapable. I thought I will be assisted to get skills on life-coaching. But I received skills on helping myself and receive myself. I am now confident that as I allow my subconscious to assist me I can be able to achieve many things. My public speaking fears are dealt with and I will be able to speak to a large number of people with confidence. I now know that I am beautiful and have a responsibility to work on my abilities because there is nothing impossible under the sun.

This transformation coaching academy training  
is like nothing I have ever experienced before.

Burk and Isobel are super amazing individuals that  
truly have a passion for what they do.

What I have experienced and learnt in these past 5 days  
has been mind blowing.

I have discovered things about myself and accomplished  
things that I did not think possible.

A big thank you to both Burk and Isobel for the  
passion and love for what they do, and sharing that  
with the class.

The 1st day was horrible - I was exhausted and assumed that is why I was struggling to get through the day.

Little did I know, it was my past and all that baggage holding me down. I sit here, 5 days later and I am ready to take on <sup>the</sup> ~~this~~ world - as cliché as it sounds.

The information overload is A LOT, Burk feeds you with everything and anything you need to become a ~~one~~ <sup>one</sup> of a kind Life Coach. I did not imagine to ever be sitting here today, with just a few hours left, writing this testimonial with my energy levels so high. Burk is a great coach and is ever willing to assist you with anything you may not understand throughout the course. The Durbanites better watch out as a life changing Life Coach is about to come

their way!! Thank you Burk and Isobel & I will miss these 5 days spent in PTA with you. Hope to see you again soon for the

Masters programme :)

This training has transform my live. ~~The~~  
I knew that to become a better person  
you must make changes in your life and  
with the technics I have learned how to

from the inside, the outside will change  
as well and this new change will effect  
other people around me as well. The change  
I have undergone will have a effect on my family
