This programme has given me the opportunity to realise that I am a source of power and I have become the best version of myself. I have developed emotionally, physically and I have a mindset of positivity. I have dealt with all the negative emotions that I have been harbouring for the longest time. Now I know I am a source of abundance in all spheres of my life and I am the best mother to my daughter. The things that used to affect and impact me negative no longer matter. I am centred and whole, approaching life with total confidence and calmness. I am now living the life I once thought was a dream. I am now no longer dreaming, I am living my dream. THANK YOU Burke & Isabel for being part of my journey and showing me what I can become, my true authentic self.

Burk and Isabel, I signed up to this course to gain more educational knowledge on how to continue helping others feel good about themselves. To make them happy and find fulfilment in their lives. To make an educated impactful difference. Never did I expect how doing this course would transform my life in the process. It highlighted and reaffirmed and actually heightened my own belief in myself. It pushed me to question my own negative and limiting beliefs. It allowed me to realise that my mind is so much stronger than I realised. After attending this course, I am not only more educated and skillful but I am stronger in my own beliefs and more positive and excited about the future and my impact on this world.

This has been an unbelievable experience. I started the course carrying tons of emotional baggage, having little to no sleep for months. I've carried guilt on my shoulders for years. This course has helped me remove all this baggage, have been able to get good sleep (started sleeping well before the end of the training already!) It has boosted my self confidence and totally changed the way I see myself and everyone around. It has helped me resolve my inner conflict and I find I am calmer and happier. Burk is an excellent teacher, mentor and coach. This has been an amazing experience for me and I look forward to my journey from here on in!

WHEN I CAME TO THE TRAINING I WAS NOT SURE OF MY CAPABILITIES REGARDLESS OF MY EDUCATION / INTELLIGENCE. I HAD DREAMS BUT THERE WAS ALWAYS FEAR WHEN I THOUGHT OF PURSUING THEM, I ALSO HAD A LOW SELF ESTEEM. THE (5) FIVE DAYS I SPENT IN TRAINING HELP ME GET MY SELF IMAGE RIGHT AND I'M CONFIDENT THAT I WILL ACHIEVE MY DREAMS. I DON'T BELIEVE BUT I KNOW IT!! I CAME WITH A HEAVY LOAD OF ISSUES THAT 'VE CARRIED ALL MY LIFE AND AFTER TRAUMA HEALING I AM LIGHTER, I ALSO FIND THAT THE CONFLICTING VOICES I USED TO HAVE ARE SILENT NOW, I USED TO ALSO FEEL GUILTY ABOUT MY PAST MISTAKES AND WISHED I COULD GO BACK TO FIX THEM, NOW I'M HEALED OF THAT. THE FREEDOM I AM EXPERIENCING IS TRULY PHENOMENAL, AS A RESULT I WANT TO RETURN FOR THE MASTERS

When I came here I was hopeless and this course was my last hope. Right now I am full of power and unstoppable. I am courageous and so confident<sup>ant</sup>. I was afraid to talk even in the staff meetings at work, but now I am no longer afraid. I feel it in my DNA that I am going to talk in those meetings. I am going to prove what is right and what is wrong and change the world. I lost a senior position because of fear that used to have power on me. That fear stopped me to attend the chief Administration Clerk interviews because I was so afraid but NOW all the damn fear is buried and forgotten!!!

Thank you so much Burk and Isobel  
I love you beyond measure!

Burk's training has been a complete eye-opener to me that I don't have to fight upstream against my beliefs system and has given me a break-through program to be able to let go of all parts/beliefs that no longer serve me and are holding me back. I feel so empowered to have a tool to be able to help others find their purpose, to become financially independent while doing it AND fulfilling myself. I've struggled for a long time with self image and confidence and together Burk and Isobel have inspired to what's possible in recreating myself! I look forward to sharing these tools with those who are as committed to transformation and growth as the incredible people in my class, whose <sup>radical</sup> transformation has also been incredibly motivating to me! I can't recommend this course enough to anyone looking to upgrade their lives and am forever grateful to Burk + Isobel for the heart-felt desire to help others.
